

# EU Declaration of Conformity

SOLARWATT GmbH  
Maria-Reiche-Straße 2a  
01109 Dresden

hereby declares under its sole responsibility that the product **SOLARWATT Inverter vision** and **SOLARWATT Battery vision** in accordance with EU Directives and Battery regulation:

- Low-Voltage Directive 2014/35/EU (LVD)
- EMC Directive 2014/30/EU
- RoHS Directive 2011/65/EU<sup>1)</sup>
- Radio Equipment Directive 2014/53/EU
- Battery Regulation (EU) 2023/1542

divided according to the following product components:

| SOLARWATT Inverter vision / Battery vision               |                                               |                                       |                                         |
|----------------------------------------------------------|-----------------------------------------------|---------------------------------------|-----------------------------------------|
| Directives                                               | Components of the system                      |                                       |                                         |
|                                                          | Inverter vision one (3.0 - 6.0 kW)            | Battery vision pack 2.0 (4.3 kWh)     | Battery vision one backup booster 1.0   |
|                                                          | Inverter vision one (7-10 kW) (7.0 - 10.0 kW) | Battery vision top pack 2.0 (4.3 kWh) | Battery vision three backup booster 1.0 |
|                                                          | Inverter vision three (5.0 - 15.0 kW)         | Battery vision pack 1.0 (2.6 kWh)     |                                         |

| Safety guidelines for Li-ion household battery systems V | -                                             | ✓                                     | -                                       |

✓ Standard applicable 1) Inverter vision one, Inverter vision three.

- Standard not applicable Li-Ionen batteries are subject to the battery regulation (EU 2023/1542), not the RoHS directive (2011/62/EU).

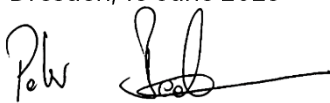

Solarwatt Li-Ionen batteries are nonetheless RoHS-compliant.

2) Inverter vision one (3.0 kW), Inverter vision three (5.0-10.0 kW)

3) Inverter vision one (3.7-6.0 kW), Inverter vision one (7-10 kW), Inverter vision three (12.0-15.0 kW), Inverter vision max (15.0 - 30.0 kW)

conform to the statutory regulations of the EU Directives.

Dresden, 16 June 2026
